Reminders

Dogs in the playground

Following the class reps meeting last week, the issue of dogs in the playground was raised by parents to the school. The Trafalgar School handbook states that dogs should not be brought into the school playgrounds and so we are putting out this reminder for everyone. This is not only a rule for health and safety reasons but we have been informed that we have children who have anxiety around dogs.

Thank you for your support in this matter.

NO PHONES in School

A discussion at the class reps meeting was had around phones in school. We are a strictly no phones school and children should not have their phones on them in school. For Y5 and Y6 the class teacher has a place for phones to be stored during the day. We strongly discourage children to have smartphones when coming to school and we teach the children the dangers around using phones while out and about.

Additionally, this rule of no phones in school applies to after school clubs. Please note that children are NOT ALLOWED TO USE PHONES DURING SCHOOL CLUBS OUT OF SCHOOL. This includes clubs before and after school as well as off-site clubs booked through school.

No smoking or vaping on school premises

Parents have brought to our attention that there have been instances of parents vaping on the school premises at pick up or drop off. We kindly ask any adults to refrain from smoking or vaping for health and safety reasons at school.
