Maths Wizard Challenge 2025

On 30 September, Hampton School was delighted to host young mathematicians from 15 local primary schools for the hotly contested Maths Wizard Champion 2025 competition.

Teams of enthusiastic Year Five pupils put their number skills to the test, tackling a series of tricky puzzles and problem-solving activities. Across five rounds – including challenges such as *Am I Odd?* and *Consecutive Numbers* – the pupils showed fantastic focus, creativity, and quick thinking.

The contest reached its peak with the Group Challenge, where teamwork was key as competitors collaborated to crack some especially tough mathematical problems.

A huge well done to Zach, Millie, Arthur and Georgina, who represented our school brilliantly. They displayed impressive resilience, teamwork, and number-crunching skills, making us very proud!
