*Summer Term – 8 May 2026*

- **Q of the week - If you could create one new rule for how your class talks and works together what would it be?**

### Meadway Site Update for September 2026

From September 2026, both our Reception and Year 1 classes will be based at the Meadway site. This will allow all the children to benefit from the excellent outdoor space and free-flow learning environment available there. All other year groups will continue to spend time at Meadway enjoying the excellent facilities there. Year 1 children will also spend time at our Gothic Road site for specialist subjects such as Music and IT, supporting a gradual transition.

Careful planning is underway to ensure we make best use of the space across Gothic Road for Year 2 to Year 6 and we will continue to update you as arrangements are finalised.

More information about the plans for next year including class teachers, class location, and transition arrangements will be shared after half term.

Year 6 leavers hoodies are only available until **Monday 11<sup>th</sup> May** so if you would like one, please place your order as soon as possible.

## **KS1 Choir**

### **Friday morning 8.30 in the KS1 hall**

Thank you to those Y1 and Y2 children who came to choir this morning – it was great to start the day singing! If your child would like to join, please let Mrs. Burton know.

### **Year 3 Paper Project: Decoupage**

**‘Decoupage is the art of decorating an object by gluing colored paper cutouts onto it.’**

Please bring any magazines, catalogues, colourful wallpaper, wrapping paper and coloured paper for Yr 3 for their lovely class project. You can bring them to the office or to Yr 3 staff. Thank you!

On **Thurs 7<sup>th</sup> July at 7pm**, Dukes Education are running an informative session for all parents and guardians on digital well-being, on getting the right tech balance at home, with the Dukes Education Europe Director of Learning Technology, James Haworth.

They'll cover how technology is evolving and what to look out for, and how this is taught at Trafalgar Schools Federation. Most importantly, parents and guardians will leave with straightforward, practical advice on managing screen time and devices at home.

This 30-minute online presentation is key to helping our community become good digital citizens and to align student and parent communication. All parents and guardians are welcome to attend and learn how to encourage positive digital habits within their families. A link will be sent nearer the time.

## Bike bus

Following on from the Bikeability training last week, they shared information with our school regarding a Bike Bus. Although this may be a challenge for the school to organise, we are open to suggestions from parents/carers as to how this could happen. Below are links to more information:

**Headlice:** A case of head lice has been reported in school. Head lice affects primary schools as children tend to put their heads together and the head lice can transfer from one head to another. This can only occur when the head or hair of one child is in contact with the head or hair of another child. Head lice are not able to jump or fly. Parents who have treated their children according to the guidelines understandably get very frustrated when their child is re-infected at school. To avoid this situation, it would be helpful if you routinely check your child's head at least once a week. Thank you.

## Working together to support your pupils and families

Grants, resources and practical support to help your pupils and their families

**Family Fund** is one of the **UK's largest charities supporting families who are raising disabled or seriously ill children and young people**. We provide grants for essential items, deliver services that help families manage day-to-day challenges, and work closely with families to understand the issues they face.

We also work closely with **schools and communities to ensure families can access the support available**.

For schools, this means helping to **remove barriers that can affect a child's ability to fully engage in learning and school life**. Through our support, families can access items and opportunities that improve wellbeing and inclusion.
