Summer Term – 19 June 2026

? Question of the Week ?

Why do people have rules? Are rules important?

Wimbledon Ballot

Thank you to those of you who took part in the pupil ballot. Tickets were drawn out at our KS2 Assembly today and the lucky winners are: 🎉 **Logan Boniface, James Eades, Rohan Clayson, Elijah Cotti, Hannah Stindt, Lucia Kingji, Maria Vasylenko and Fleur Woolgar** 🎉

Staffing for Next Year

We are pleased to let you know that we are again fully staffed for September 2026.

Please see below for an overview of the staff assigned to each class starting in September. We will share further details regarding Teaching Assistant teams within the next week and a half. We are saying goodbye to Mrs Peach, who is relocating outside of London, Mr Burzio, who has a new teaching post at St James School, Senorita Sam, who is returning to Spain and Mr Stevens who is taking some time to explore new opportunities. We are sure you will join us in wishing them all the very best.

New Reception children		Gold Class	Miss O'Connell (Meadway)

As we look ahead to next year, we have carefully considered the concerns and recommendations that our parents have shared with us. We have also consulted closely with our staff, whose knowledge of the children in their classes has provided valuable insight.

Draft plans are now in place and have been shared with staff. We aim to confirm these arrangements ahead of next week's transition days. There are many factors to consider in this process, and we greatly appreciate your patience and understanding as we finalise plans.

Please see below for the transition plans so far.

Current Reception and Year 1 will meet their new Teachers on Thursday 24 June and Friday 25 June morning. Current Reception will be dropped at Gothic Road on these mornings. There will be more information regarding this Parentmailed out on Monday.

Current Y2 – Y5 will meet their new teachers on Monday 6 July. More information will be sent out closer to the time.

Reception and KS1 choir

Thank you to those who have been able to drop children off at 8.30 on Friday morning for choir; it is not too late for children to join. Our songs will be on the Eschool for practice. We will be singing at the Summer Fair from 13.30-13.45

Class Reps Meetings

Thank you to our class reps who joined us today. It is really important to hear feedback and suggestions from our parents. We will provide additional feedback in next week's newsletter.

Reading Diary Survey

Thank you to everyone who took the time to provide feedback on the reading diary survey. We have also gathered views from both teachers and pupils. Taking all of this into account, we have decided to reintroduce a paper reading diary for all children across the school and will be updating you on how this will look across the key stages.

School Lunches

We have been closely monitoring school lunches, particularly the feedback regarding portion sizes. We are also aware that there is still a significant amount of food waste, and we are working to address this.

We are collaborating with the catering team and lunchtime supervisors to strike the right balance—ensuring children to receive sufficient, healthy portions, alongside additional salad bar options, while also reducing overall food waste.

Summer Fair - Sunday 28th June

A big thank you to our dedicated Summer Fair team, who have been working incredibly hard this term to bring the event together.

To make the fair a real success, we need everyone's support. Please consider volunteering via your class reps—there are still a few spaces to fill, and even a small amount of your time would make a huge difference.

Whether it's helping to run a stall or supporting an activity, every extra pair of hands helps create a fantastic experience for our children and school community.

Summer Fair Brochure Poster Winners

Congratulations to **Lilly Jeeps** (Scarlet Class) and **Kitty Browning** (Class 3I) on winning our Summer Fair brochure poster competition. We're excited to feature your colourful designs in this year's Summer Fair brochure—well done to you both!

With warmer temperatures expected next week, we are putting measures in place to keep children and staff as cool and comfortable as possible throughout the day. Classrooms are equipped with fans, and Sam, our wonderful caretaker, will ensure that ventilation and cooling systems are running from early each morning. Additional fans or air-conditioned spaces, including the KS2 hall, will be available if needed during breaktimes.

We kindly ask that children come to school wearing sun lotion and bring a hat for outdoor play. To help maintain a calm and effective learning environment, we ask that personal fans are not brought into school, as we already have suitable cooling arrangements in place for all children.

Y6 Residential

We wish our Year 6 classes the very best of luck as they set off on their final residential! We hope you have an amazing weekend filled with fun, adventure and exciting new challenges. Enjoy every moment and make lots of wonderful memories—we can't wait to hear all about it when you return to school next week!

Clubs for Next Term:

Registration details for all clubs for September will be available next week. Details will be emailed via Parentmail.

ART COMPETITION

See your child's artwork on benches across London and win a Clean and Healthy Waterways workshop for your class

Groundwork London, on behalf of the Mayor of London, is inviting primary school pupils aged 4 to 11 to take part in the Clean and Healthy Waterways Schools Design Challenge 2026.

Children are asked to create colourful, creative designs inspired by the theme, The River of Life and activity in, on or beside London's waterways. From wildlife and community, to journeys, memories and inspiration for a future where all Londoners can connect with water and nature. This challenge celebrates London's rivers, canals and wetlands.

Winning designs will be featured on eight benches in four London boroughs, and the top entry will win a free workshop for their class.

We welcome submissions from primary age children across all London boroughs and encourage entries from a wide range of backgrounds and experiences.

The school deadline is **Wednesday 24th June** so we can send off the finalist applications by 26th June 2026 and all details can be found [here](#). **(Click link to find the template)**

we believe social media should be banned for people under the age of 16.

→ youtube

→ facebook

children under the age of 16 do not need social media to keep them happy, in fact it can make them feel the absolute opposite.

Social media such as snapchat, tik-tok, youtube + instagram can damage young kids mental health and stop them from being their natural self as some content makes them feel self-conscious and force them to change themselves!

Attendance Matters

Our expectation is excellent attendance right through to the last day of term. Every school day counts!

Every Day Counts! As we approach the end of term, we want to remind you how important good attendance is for your child's success and wellbeing.

Why Attendance Matters

The Department for Education has highlighted particular concerns about attendance at this time of year, especially near the end of terms and around holiday periods. However, every school day matters. Good attendance is directly linked to your child's learning and progress. When children miss school, they miss essential learning that builds day by day, creating gaps that become harder to fill. Regular attendance also supports your child's friendships, social skills, and sense of belonging in their class community. Please support your child and their class by:

Attendance:

- Ensuring your child attends school every day unless genuinely unwell
- Avoiding term-time holidays
- Scheduling appointments outside school hours wherever possible

Punctuality:

- Ensuring your child arrives on time each day
- Establishing good morning routines

If you're experiencing any difficulties with your child's attendance, please speak to us. We're here to help and can work with you to find solutions.

Let's work together to ensure every child finishes this term strongly and is well-prepared for their next steps.

Thank you for your continued support.

Email: Please note that we now only have 1 email address - info@trafalgarfederation.org.uk
The juniorinfo or infantinfo are no longer in use.

School Dinners: If children want to change from school dinners to packed lunch, please let the office know as this may help prevent food wastage.

Library books: Please ensure library books are returned. We have over 200 books that are over 2 weeks overdue at present.

Orange Bin: Please only put used uniform in the orange bin in the playground. Please do not put any rubbish in there.

Donations: We always welcome any donations eg; toy cars, toy animals, useable stationery, tracksuit bottoms, socks, plimsoles (especially for Early Years).

Thank you.
